NATHANIEL SOUTHGATE SHALER
(1841 - 1906)

NOTES, CORRESPONDENCE, PAPERS

1890 - 1895

(0.2 linear ft.)

Nathaniel S. Shaler was born in Newport, Kentucky, in 1841. He received a B.S. from the Lawrence Scientific School at Harvard University in 1862. After serving as an officer in the Union Army during the Civil War, Shaler returned to Harvard and held a professorship there throughout his professional career. He also contributed numerous articles and papers to annual reports and other publications of the USGS, and oversaw the Atlantic Coast Division of the agency from 1884 to 1900. His writings on geology and paleontology include almost 200 titles.
